## 2019 Journey Updates

We still have some openings for Ambassadors to Australia. If you are interested and have not yet contacted **Stephanie Sorensen**, please let me know ASAP. We will be getting Ambassador Coordinators in place soon and will be requesting completed applications. Dates are Oct. 27 to Nov. 3.

Medicine Hat, Canada is coming up sooner than we think - July 2 - 9. We need a Host Coordinator or two for this incoming Journey, This is a very fun club and some of us have met some of their members already. I have several people willing to help plan this Journey, and we already have the Annual picnic scheduled for **July 8** as a farewell - so that is one activity you won't need to plan and organize. Please contact me immediately if you would be willing to take on this job. I can answer any questions you have about what you would need to do. We have many resources to make this job easier.

The Aichi, Japan Club is coming Sept. 11 - 18 and we need help for this also. They provided a most memorable experience for our Club and we need to reciprocate.

If you have not signed up to help and are willing to do even a little bit, we need you for these Journeys - so please let me know now.

Thank you!
