March 2020

A NOTE FROM THE PRESIDENT

Friendship Force was founded over 40 years ago with the idea that connecting to people from other cultures, living with them, hosting them, sharing meals, exploring their communities and observing their traditions and cultures would be transformative. Both host and ambassador gain a better understanding of each other's cultures and learn that despite different geography, politics, culture and religion, the basic realities of daily life tie us together. We have similar needs, hopes, desires, and concerns.

Since we are not all able to travel, FFI brings the world to your doorstep. You can partner with your friends to welcome people from around the world to Wisconsin even if you don't host or day host, although we encourage you to do so if you can. Simply attend events when we have guests and take the time to talk to them. One of my most cherished friends was not someone I hosted or who hosted me but was an ambassador I met while day hosting. Friendship Force has really changed my perception of the world. It feels like a smaller place. When I read about tensions, joys, good news and bad around the world, it is easier to put it all into perspective. We also can share our experiences and perspectives with friends and family and impact their perceptions and understanding of events.

Your first opportunity in 2020 to welcome guests is on March 6, when a delegation from Russia will arrive in Madison. Our guests are a group of academic women who are committed to help young women and girls in Russia enter into STEM (science, technology, engineering & math) fields and foster gender equity. In Madison they will meet with government officials, educators, businesswomen and community groups who are working toward the same goal. You can meet them at a potluck on March 8th and learn about the program that we have developed for the delegation. **Please come! Bring food! Guests are welcome.**

In Friendship,

Sandi Wysock

JOURNEYS

OPEN WORLD WELCOMES WOMEN IN STEM - RUSSIA

FFI Madison/Open World is hosting six delegates from Russia **March 6 – 14, 2020**. Our program will look at U.S. programs and organizations focused on creating opportunities and encouraging girls/women to participate in STEM education and careers. We will hear from government officials, businesses, educators and community groups involved in development of school curriculums and other activities to increase opportunities for girls and women.

FFI members and friends are invited to attend a welcome potluck dinner meet and get to know our visitors:

Welcome potluck dinner Sunday March 8, 5:45 pm to 8 pm
at First Unitarian Society, 900 University Bay Drive, Madison WI 53705.

NEW ZEALAND AND NEW CALEDONIA OUTBOUND 2020

Bon Voyage to our Ambassadors off to New Caledonia and New Zealand. Several of the Ambassadors are from the Dallas Club based on the lovely time they had with us last summer. The official dates are April 16 to the 30th. Many ambassadors will be going early or returning later.

Maureen Kind presented a workshop about New Caledonia recently and will be doing another one about New Zealand on **March 21** from 10 - 12 at the Meadowridge Library, 5740 Raymond Road. All are welcome to attend.

JOURNEYS

GLOBAL BIKE JOURNEY 2020 UPDATE

For our Global Biking Journey from **September 14 - 21, 2020**, we still need help in several areas:

If you are willing to home host a biker or bikers, **please contact Jan Hornback** at jhornback@wisc.edu.

Most of the Ambassadors will be bringing their own bikes and will be able to get themselves to and from the biking starting places. If you don't have a bike rack, these are the people you will want to host. If you do have a bike rack and can drive, our international travelers could stay with you. One couple has a motor home as well as a car and they would need a place to park the motor home. Please tell Jan what resources you have to offer.

We will also be doing our usual small group dinners in members' homes on Wednesday, Sept. 16. If you can host one of these, please contact **Stephanie Sorensen** at ssorensen268@gmail.com.

Any member of the Club is welcome to ride with us. If you are interested in riding, the rides will mostly vary from around 20 miles to around 50 miles. We will be riding Tues., Wed., Thurs., Sat. (12 miles), and Sun. with a group "Bike the Barns." Please contact **Hank Weiss** at weiss.hank@gmail.com by the end of March so we can get an idea of how many riders to plan for each day.

MILWAUKEE LEADERSHIP CONFERENCE VISITORS

Another opportunity will come from **October 16 to 20, 2020**. The Milwaukee club will be running a leadership workshop mostly for those from new clubs in developing countries. Following that workshop, the Ambassadors will come to Madison from Friday until Tuesday for a brief visit. This is a rare opportunity to meet new leaders from newer clubs and share our experiences and just have some fun with new friends.

JOURNEYS

MILWAUKEE LEADERSHIP CONFERENCE VISITORS

We will need helpers to host and work on a committee to plan at least a few group activities to show them what it is like to participate in a Journey. Please contact Stephanie Sorensen (ssorensen268@gmail.com) (608 819-6646).

JOURNEYS WITH OTHER CLUBS AND GLOBAL JOURNEYS

We want to remind you that our members are members of a global family and can participate in journeys sponsored by other clubs and in global journeys that include members of many clubs.

There are always opportunities to travel with Friendship Force. If our club's schedule doesn't fit with your plans, consider traveling with other clubs or global journeys.

There are several ways to get information about other journeys:

- Join the FFI mailing list by going to this link: [Join the FFI Mailing List](#)
- Go to FFI website: (thefriendshipforce.org) then select the tab “Journeys”. This tab will take you to upcoming journeys, organized by geographic regions.
- Go to FFI website and select tab “Member Resources” and then select “Complete List of Journeys and Regional eFlyers.”

ACTIVITIES

VOLUNTEER/SERVICE

Second Harvest Foodbank

Second Harvest volunteers meet at the Food Bank the last Thursday of each month from 12:30 to 3:30. Upcoming dates include Thursday March 26.

There is unlimited space for volunteers. New members are encouraged to participate, not only to help serve some of the most basic needs of our community but also to meet and get to know other members of our club. Please confirm your participation date(s) with Lois Schulz, FFWM Second Harvest Food Bank Leader, at loisschulz1942@gmail.com

Cold weather increases health risks, making nutrition even more vital for the more than 44,000 children within our 16 county service area who don't always know where their next meal is coming from. Second Harvest needs the strong support of all of us in order to improve access to nutritious food for these children and their families. (see: www.ourcommunityfoodbank.org)

ACTIVITIES

BOOK CLUB

Four readers braved the snowstorm on Feb 17 to meet at the home of Reta Harring to discuss "Radium Girls."

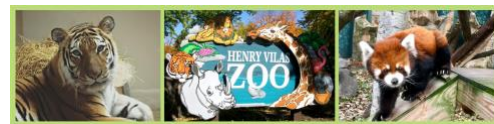

The next Book Club meeting is on Tuesday May 12 at 7 pm at the home of Helen Ann Rugowski to discuss "The Bone People" by Keri Hulme. The book deals with family relationships between Maoris and Pakehas (New Zealanders of European descent). The Madison Public Library has eleven copies. It's a long book, but hard to put down!

Please contact Helen Ann at haharrin@hotmail.com to confirm your attendance.

ADOPT A HIGHWAY

Please join us for 1-2 hours to clean up highway 12 in Middleton (exit 249) on Sunday May 3 at 3 pm. We will meet in Middleton Park n Ride, then enjoy each other's company as we clean up the highway. Contact Stephanie Vanden Bush at sljacobs2@gmail.com with questions.

LET'S WALK / LET'S HIKE

March 29, 2020, 1:00 p.m. – Vilas Neighborhood

Weather-permitting, we will resume our walking and hiking events on Sunday, March 29. We will follow a roughly 3-Miles path along Lake Wingra's shoreline, on the streets of the Vilas Neighborhood, and inside the Zoo. All will be paved surfaces, hopefully free of snow, ice, and mud. The walk itself takes about 60-70 minutes, with optional extra time spent in the Zoo at the end.

If you are interested in joining us, please RSVP to magdi.sebestyen@gmail.com, so that I can send you parking and meeting point information, and a map about our planned path. I will also contact you in case we have to cancel the walk due to inclement weather.

Spring is coming, and I hope to see many of you walking with me again!

ACTIVITIES

DINING ON THE 6TH

Dining on the 6th is becoming a popular event. Eighteen people met on Feb 6 at 9:30 for breakfast at Pat O'Malley's Jet Room, hosted by Helen Ann Rugowski.

On **March 6**, adventurous diners will meet at 4:30 pm at the Dorf Haus Supper Club in Roxbury, near Sauk City, for a turtle dinner at hosted by Donna Hussin. Please contact Donna djhussin@yahoo.com by March 2 to confirm your attendance.

The turtle dinner tradition was started thirty-six years ago for Lent by the current owner's father, Mr. Maier. Mr. Maier decided his loyal customers might like to try something different just during Lent. Dorf Haus turtles are caught in the Mississippi. The snapper turtle dinners were a hit and today draw diners from a 60-mile radius. Turtle is so popular that last year they began offering turtle on Wednesday's in addition to Friday during Lent. A 20-21 pound turtle yields about seven pounds of meat.

Turtle is not gamey and tastes nothing like fish. Depending on who you ask it may taste like chicken to some, beef to others. Diners who want turtle need to make a reservation to ensure they are not sold out. Regular Friday menu also will be available.

On **April 6**, we will meet for lunch at 11:30 at the Green Lantern at 4412 Siggelkow Road in McFarland. Please let host Lois Schulz know by April 3 if you plan to attend. Loisschulz1942@gmail.com / 608-243-9761.

McDaniel Bike and Walking Lane is right next to the Green Lantern, so you may enjoy a walk or ride after lunch.

CHICAGO MUSEUM TRIP

Saturday **May 2** is a day tour trip to see the "Wired to Wear" exhibit, among other wonders at the Chicago Museum of Science & Industry. It's highly unlikely any of us ever thought technology would one day become part of the clothing or accessories we wear but it has arrived!

ACTIVITIES

CHICAGO MUSEUM TRIP

This is the first ever exhibit dedicated to wearable technology designed to extend the human body's capabilities and make us healthier, stronger and safer. See more than 100 inventions from 15 countries.

The \$94 price includes transportation, tour manager, general admission + special exhibit entrance, all taxes, fees and gratuities. Lunch is on your own in the museum's food court. For complete details read the attached flyer.

Registration for this tour is through Burkhalter Tours, 6501 Mineral Point Road, Madison, WI 53705 (tours@burkhaltertravel.com) or phone 608 833-1525. When you register, indicate you are a Friendship Force Wisconsin-Madison member. Also let our Friendship Force travel leader, Donna Hussin (djhussin@yahoo.com, cell phone 608 770-0980) know that you registered so we will know the members of our group.

INTERNATIONAL FESTIVAL AT OVERTURE CENTER

FFI Wisconsin-Madison hosted a booth at the International Festival in the Overture Center on **February 29, 2020**. It was a busy day. Our volunteers met a lot of people and we will follow up with prospective members.

PBS WISCONSIN GARDEN AND LANDSCAPE EXPO

FFI Wisconsin-Madison volunteers also helped support PBS Wisconsin at the Garden and Landscape Expo on Sunday February 9, 2020. A good time was had while doing good work.

2020 FFI SUPER-REGIONAL CONFERENCE

We will continue to remind you about the TFFI 2020 Super-Regional Conference will be in Minneapolis September 18-20, 2020, hosted by FFI Minnesota-Twin Cities. It seems a long way off, but we all like to plan our calendars!

Here is the link for conference information:

<https://friendshipforcetwincities.org/ffi-2020-super-regional-conference/>

Our connections with other FFI groups are vital to developing and expanding our journey relationships and opportunities. We will keep you informed with updates. You can also directly contact Conference Chair Rita Mays: ritamnffi@yahoo.com

BOARD NEWS/ACTIVITIES

ANNUAL MEETING AGENDA

Friendship Force Wisconsin-Madison Annual Meeting is on April 4, 2020 at the Middleton Glen Retirement Center from 12 pm to 3:30 pm. There will be a potluck lunch. See the RSVP signup form attached to this newsletter for details. (RSVP to be sent to Gail Holmes).

YOUR ATTENDANCE IS IMPORTANT. WE WANT TO MAKE SURE WE HAVE A QUORUM AND THAT AS MANY MEMBERS AS POSSIBLE HAVE THE OPPORTUNITY TO VOTE FOR OUR OFFICERS.

1. ELECTION OF OFFICERS - THE CANDIDATES

PRESIDENT: KATHY SPECK KEMENY

I have been a member of Friendship Force for the past 5 years. I've served on the board since 2017 and am currently club Vice President. My husband and I have enjoyed hosting numerous clubs including India, New Caledonia, Canada, Indonesia, as well as Open World delegates from Ukraine, Republic of Georgia and Russia. We've participated in a number of outbound journeys, including Australia and Guadeloupe. In 2018, I served as ambassador co-coordinator on our club's journey to Japan. Professionally, I have an MBA and a Master's Degree in Social Work and spent my career in managerial roles in healthcare organizations as well as consulting. In addition to traveling, I enjoy music, art, reading, hiking and other activities in nature. My participation in Friendship Force has provided unique opportunities to learn about other cultures and make new friends here and around the world.

VICE PRESIDENT: DOUG JOHNSON

Now retired, Doug was the first physics teacher at newly opened Memorial HS; Kathy began teaching at Orchard Ridge Elementary School. They have two grown children and three grandchildren.

Doug has dedicated his career to teaching science: as convention chair and president of the Wisconsin Society of Science Teachers (WSST); on committees for the National Science Teaching Association; on the manuscript review panel for the NSTA journal; as presenter at national conventions; and as reviewer and contributing author for three textbooks. He has led summer workshops for elementary and secondary science teachers. He recently received the Lifetime Achievement award from WSST.

Doug and Kathy both work at polling places on election days and as proctors for Advanced Placement exams and are active in their church and enjoy ushering at the Overture Center.

TREASURER: MARY JUCKEM

Mary has been a member of FFI Madison since 2017 and served as treasurer since September 2018. She enjoys inbound journeys as a day host, home host, and Open World dinner host, and has participated in outbound journeys to Japan and Niagara, Ontario. Mary is looking forward to participating in the journey to New Caledonia and New Zealand in April. Currently she also is assisting with planning our chapter's inbound Global biking journey.

Prior to retirement, Mary was a medical social worker in various health care settings. When not traveling she enjoys being in nature, biking, hiking, gardening, spending time with her grandchildren, and volunteering with performing arts venues, the library and the Children's Museum.

SECRETARY: DIANA RODUM

Diana and her husband, Michael Hoon, moved to Madison in 2015 after living in the Washington D.C. area for most of their adult lives. With Diana's roots in Minnesota and Michael's in Wisconsin, a post-retirement move to be near family was their motivation to return to the Midwest, though they still sometimes miss the greater international flavor of D.C.

The prospect of meeting interesting people and learning more about other countries drew Diana and Michael to Friendship Force. They love to travel the world, have enjoyed hosting ambassadors from Open World, and look

forward to meeting many more FF and OW guests as well as joining some trips in the future.

BOARD NEWS/ACTIVITIES

2. APPROVAL OF 2019 ANNUAL MEETING MINUTES

Attached to this newsletter is a copy of the Minutes from the 2019 FFI Wisconsin-Madison Annual Meeting, which will be voted on for adoption at the 2020 Annual Meeting.

3. AMENDMENT OF FFI WISCONSIN-MADISON BY-LAWS

Proposed amendments to our By-laws are posted on our website for review. The Board will present the By-laws for discussion and approval at the Annual Meeting.

Annual Meeting Minutes - April 7, 2019

Zor Shrine Center

The meeting was called to order by President Peg Hutnik at 1:03 pm. Peg mentioned that the minutes of last year's meeting and the treasurer's report were on the tables. She announced that the out-going international trip for 2020 will be to New Caledonia and Christchurch, New Zealand in April. She has spoken with a club on the North Island and we will be able to extend for a few days with them. The ballots for the election of the officers for 2020 were also on the tables, and the members were asked to mark their ballots.

Peg then introduced the current board, committee chairs, and newsletter editor. Peg reminded the members that the minutes from 2018 were on the tables. George Wysock moved to accept the minutes from 2018, seconded by Dan Eggerding, motion carried.

Treasurer's report was on the tables, and there were no questions, additions or discussion. The report was accepted as presented.

President's report. Peg presented a detailed report of the accomplishments this past year starting with the board retreat in July 2018. There we set goals for 2019: to increase membership; increase journey participation both as ambassadors and hosts; increase interest in the club through activities. During the summer there were several activities planned in anticipation of the Japan journey. The Indonesia club came in February to experience snow. The Niagara Club was here in July and we had our annual picnic with them.

We hosted two Open World programs; the group from Georgia was in September 2018 and the group from Russia was in March 2019. The theme for both was on communications, news media, and politics. Sandi Wysock led both groups.

Current membership is 120 which is down a bit from last year when we had 145. There were 30 potential new members that signed up at the International Fest in February. The membership committee will follow up with orientation/informational meetings in the next few weeks.

Gail Holmes and the Activities committee has been busy with Second Harvest Food Bank, Let's Hike, Bike rides, LEO's, highway clean-up, book club, and the WHA auction. Donna Hussin is planning a day trip to Kenosha Civil War Museum and electric streetcar experience on June 19 and a trip to a cranberry marsh in the fall.

Agnes Rona is the new editor of the newsletter which will now be published on a bi-monthly basis.

One of our goals this year has been to move toward more effective management and more technology. The website is now functioning well.

Tom Miller and the outreach committee has been busy with the international Fest in February and a Speech to the Wisconsin Heights Optimist club in Mazomanie in December.

The in-bound journeys for 2019 will be Medicine Hat Canada from July 2-9 and Aichi Japan from September 11-18. The outbound journey will be two weeks in Australia in October. The international Conference will be in Boulder Colorado from July 23-27. This will be at the University of Colorado at Boulder. The workshops are listed on the FFI website. Members are encouraged to attend and there are several scholarships available. The cost for registration and housing is \$500.00.

Stephanie Sorensen is the Journey Coordinator this year. The journeys for 2020 will be to New Caledonia and New Zealand in April 2020. There are openings to join the Austin, Texas club when they journey to Niagara Canada in June 2019. Sign-up sheets are available.

Peg then recognized the coordinators for these journeys: Sandy Wysock who led both Open World events; Kathy Speck-Kemeny and Magdi Sebestyen, ambassador coordinators for Japan; Kathy and Doug Johnson host coordinators for the Indonesia winter journey; George Wysock and Lise Skofronick, host coordinators for the Niagara journey. Donna Hussin and Gail Holmes organized a day trip to the Yerkes Observatory and the East Troy electric train trip.

Peg also recognized Donna Hussin for her six years of service as the newsletter editor, Mary Mastaglio and Lois Schulz for activities committee, Mary Lindquist for maintaining the member database, Sandy Wysock, Dan Eggerding, and Allan Rieling for the website management team, and Dave Dohler as past website manager, George Wysock for heading the audit team, and all the other volunteers at our various events.

Kathy Johnson spoke briefly about the incoming Medicine Hat journey. There will be a free day for July 4th and she suggested that hosts take their ambassadors to a parade and fireworks. There will be a picnic and a performance at APT. A Ducks boat trip is planned for the Dells. The farewell will be the annual club picnic on July 8 at Tenney park.

Peg then recognized the members that passed away this past year: Roy and Dorothy Berg, Tom Christianson, Maggie Dohm, Shirley Lake, Cindy Barr.

The final order of business was the election of officers for 2019-20. Sandy Drew, nomination committee chairman, announced that all of the current officers agreed to another term, ballots were counted and the re-election of the officers was unanimous.

The meeting was adjourned at 1:42.

Respectfully submitted by Martha McGregor

Wired to Wear

Saturday, May 2, 2020
Museum of Science & Industry - Chicago, Illinois

Wired to wear is the first-ever exhibit dedicated to wearable technology ~ smart clothing and devices designed to extend the human body's capabilities and make us healthier, stronger and safer. Jackets that help you 'see' in dark spaces. Racing suits that deploy their own airbags. A jet suit capable of traveling 32mph. Tattoos that turn the body into a musical instrument. The future of wearable technology is here to explore now! See more than 100 inventions from brands, designers, engineers and artists from across 15 countries, representing the most innovative ideas in this emerging field.

Our group will arrive at the Museum of Science & Industry in downtown Chicago at about 10:45 am and will have until 2pm to explore the Museum of Science & Industry and have lunch in their food court at your leisure. We will rejoin as a group after lunch to enter the special Wired to Wear exhibit. We will depart the museum at 4pm and arrive back to Madison between 7-8 pm.
