A NOTE FROM THE PRESIDENT

By the time you receive this newsletter, our elections will be over and I will be a “lame duck” president. We will begin the process of transferring knowledge to the new president who will be installed in September. She will be busy selecting committee chairs and members-at-large that will serve on the board. All of you have always been so willing to serve and help me. Please consider helping and leading wherever you can. Your help is essential to maintaining our social activities and even more important, supporting our inbound and outbound journeys.

I am writing this message before the elections because I am off to the Regional Conference in Cincinnati, OH on April 20-22. I have been asked to share our story with other leaders from the Midwest, Southwest and Great Lakes Regions. Our club is being recognized as one of the leaders in growth and in developing new ideas, events and activities. This recognition really belongs to all of you. While many clubs are struggling to make a transition to a new generations of leadership, we seem to be one of the exceptions. We have added 56 new members in the past three years. At the same time, we have lost at least 40 members primarily due to health, mobility or changes in life circumstances. In spite of these losses, we are showing growth and new vitality. During my term our Board of Directors has provided strong leadership but we have really been successful because you, our members, have been supportive and willing to help. You have worked very hard to make our journey activities interesting, you have been gracious hosts and day hosts, you drive, bake, etc., and you help support our social activities. Most importantly, you share your enthusiasm with your friends, neighbors, and even the stranger in the airport and in doing so encourage others to join us in connecting to others around the world through home hospitality. I was at a Sister City event recently and former Governor Jim Doyle mentioned his experience with the first Friendship Force exchanges. Mayor Soglin also lit up when he saw that representatives from Friendship Force were there as well. It was great to let them know that we are still here and still making a difference in our own small way, one friend at a time.

I am sure that I will return from the Super Regional Conference with many new ideas. I will share them in the next newsletter.

In friendship,

Sandi Wysock
President

WHA AUCTION VOLUNTEER

Friendship Force Wisconsin-Madison is helping with the Wisconsin Public Television auction on June 3 from 3:00-7:00 p.m. There are more than 15 jobs (besides phone bank) that are available, if you sign up early. This is a good way to publicize Friendship Force, help in the community and get a free meal at 7:00 pm.

Seated jobs: bid qualifier, bid sorter, confirmation caller, data entry, phone bank, pick-up and pay cashier

Non-seated jobs: bid filer, bid runner, board captain, cafe server, display designer, floater, merchandise mover, packet verifier, pick-up and pay runner

It is helpful to wear a Friendship Force shirt to publicize our club. Free parking is always available on Sundays in the Grainger Hall lot across the street from Vilas Hall.

We need at least 15 volunteers. If you didn't sign up at the annual meeting on April 29, call me at 608-241-2248.

Reta Harring, Chair

Let's Walk, Let's Hike!

Twelve members participated in our first walk in the Pheasant Branch Conservancy, and everybody had a good time. The next two events will be on

Wednesday, May 9, and Saturday, June 2.

On Wednesday, May 9, we will meet at 5:30 p.m., at UW Parking Lot # 129, which is right at the entrance to the Picnic Point Trail. We will walk along the Howard Temin Lakeshore Path, all the way to the Memorial Union Terrace. Who knows, we might as well get some ice cream at the Terrace before heading back to the parking lot. .

On Saturday, June 2, we will head out to Governor Dodge State Park, where we plan to take a longer hike, climbing up to the cliff above Cox Hollow Lake, on Pine Cliff Trail. We plan to leave Madison at 10:00 a.m., and return sometime in the afternoon, so please pack a lunch. We can have lunch either on the trail, or at the Cox Hollow Lake beach. Carpooling is encouraged and will be coordinated by the organizer, Magdi Sebestyen.

If you plan to participate in either or both of these walks, please RSVP to me.

**Niagara Inbound Journey
June 9-15, 2018
MORE CANADIANS ARE COMING!**

Atmospheric & Oceanic Sciences, UW-Madison

Home hosts have been matched with their ambassadors and the arrival date is less than two months away. Already some have started to communicate.

The events for this journey have been scheduled. The reservation form to sign-up for activities is included as a separate sheet in this newsletter. We cordially invite the membership to join us in any or all of the events. Please remember that the fees for the annual picnic on June 14, should be submitted with a separate reservation form.

The journey is still looking for dinner hosts for the evening of June 11, and of course additional day hosts would always be good to have. Should you wish to travel to the Niagara region in the future, our ambassador friends can help you with the areas around Toronto, Québec, and the Maritime Provinces. If you have an interest in helping, please give us a call, otherwise we will have to call you!

We are planning a **workshop** on May 14, 2018, at 7:00 pm, in the Landmark Club House located at the corner of Caddis Bend and Coachman Place in Fitchburg. All hosts are encouraged to attend. Bring your questions and your planners have already volunteered.

Please call or email so we won't have to fill your voice mail boxes with our pleas.
