

# The Friendship Force of Wisconsin-Madison

Changing the Way You See the World  
*September 2016*

## A NOTE FROM THE PRESIDENT

We are nearing the end of our 2016 exchanges. Only one to go! Winnipeg, Canada and Santa Barbara, California, a combined exchange, arrives September 13. I hope that you are able to attend some or all of the events. Our ambassadors truly enjoy the opportunity to meet members in addition to their hosts.

One of our strategic goals is to increase member participation in club activities. Strong participation makes it easier for us to host exchanges without over reliance on a few members. It's more fun for everyone. As they say "many hands make light work". We certainly realize that we have a number of members that cannot host but if you can day host, support the exchange committees, or provide a home hosted dinner it makes a huge difference!

I took a quick count of attendance/participation using the newsletter, book club membership, ambassadors, hosts, board members, dinner hosts, standing committees, ad hoc committees, and attendance at the annual meeting. My quick estimate is that 73 members of our club have participated in these events. That sounded very good to me. However, it is just over 60% of our total membership. When we consider only those involved with exchanges, the numbers drop into the 40% range. The questions is, can we increase this number? What should our goal be?

We will have a general membership meeting on October 18. Some of our legacy members will be discussing the history of our club and the spirit of friendship and peace that originally inspired them to join. Come join us for dessert, a trip through our history and an opportunity to give the board feedback as we continue to develop our strategic goals. See you there!

In peace and friendship,

**Sandi Wysock**  
President

## Strategic Planning

### SURVEY--YOUR INPUT REQUESTED

Your Board is working hard on developing a strategic plan for the growth and development of our club so that we can continue our wonderful adventures into the future. Clubs in the U.S. and Europe are having to dissolve due to lack of people to handle all of the duties required to make a club function. We are determined not to let that happen to us! We are asking for your help.

As we develop this plan, we want to respect and incorporate everyone's ideas, values and goals, as well as, make the most efficient use of the skills and abilities of our members. Please help by completing the survey.

The survey is a separate document after page six of the newsletter. We ask you to print it out and mail it to me by **Saturday, September 17, 2016**. This will save us the cost of copying and having to mail it to you to receive your input. Thanks so much!

**Stephanie Sorensen**  
Secretary

### Board Opportunity

Are you interested in providing the leadership to grow and build the Friendship Force of Wisconsin-Madison? Are you willing to lead the board meeting once per month? If so, we need you!

As members of the Friendship Force, we travel on exchanges and host ambassadors from around the world and in addition we get to hang out with very interesting, fascinating fellow members. Very cool, but (there is always a but.) All of these wonderful things happen only because we also have dedicated members that believe in our mission and are willing to provide leadership.

In 2015, the membership approved by-law changes that created the exchange coordinator position. The position requires a knowledge of both incoming and outgoing exchange procedures. Gail Holmes would like to continue in this position for a second year. Gail was also elected as vice-president for the coming year. After some discussion, the board has agreed to appoint Gail to the

position of exchange director for the coming year. Sandy Drew will serve as the acting vice-president. We are seeking a vice-president that would be willing to become president in September of 2017.

If you are interested or have a recommendation, please contact me at 608-833-5326 or [sandrawysock@msn.com](mailto:sandrawysock@msn.com)

### Public Relations: Marketing Plan-Volunteer Needed.

The Friendship Force has to be one of the best kept secrets in the world! How many times have you spoken to someone who has never heard of us but thinks our message is amazing? One of our strategic goals for 2016 and 2017 is to develop a marketing plan. We want to get the word out and advertise our exchanges. The board is looking for someone that is willing to lead an ad hoc committee that will develop a marketing plan. Donna Hussin has obtained a list of media and news contacts that will serve as a starting point. If you can help us with this important project, please contact me at 608-833-5326 or [sandrawysock@msn.com](mailto:sandrawysock@msn.com)

## Exchange Coordinator Report

When a group of the ambassadors from the Nashik Riverside Club in India arrived at the Madison airport on July 15 to fly to Chicago and on to Orlando for a cruise, they missed their flight by not timely moving through security and arriving at the gate for departure. It was an unfortunate conclusion to the excellent exchange provided by ED Helen Ann Rugowski and Asst. ED Jerry Fuller.

Co-Eds Patrick Fleming and George Wysock and their planning committee have prepared an itinerary for the inbound Winnipeg, Canada and Santa Barbara, CA exchange from September 13-20, 2016. The 13 ambassadors from Winnipeg will spend the previous week in Northern Illinois and the 10 ambassadors from Santa Barbara will be in Minneapolis. Both groups will be driving to Madison. Winnipeg has six couples and a single woman, and the older but active Santa Barbara ambassadors have two couples and six single women. Home hosts and a home dinner coordinator are in place. The registration form for club members to participate in the activities was in the August newsletter. Their workshop for hosts and day hosts was held on August 5.

No new progress has been made in finalizing schedules for 2017 exchanges. The outbound international exchange to Guadeloupe will be February 22 - March 1, 2017 with Co-Eds Lise Skofronik and Maureen Kind. The September newsletter will have an announcement directing members who are interested to send in an Ambassador Application by September 17. They anticipate a full exchange of 20 Ambassadors since most of the members who hosted Guadeloupe last year as well as both new and old members

have expressed an interest. Interviews for the exchange will be held on Monday, October 17, 7-8:30 PM at Sequoia Library and on Wednesday, October 19, 10-11:00 AM at Pinney Library. Donna Hussin and Nancy and Richard Mueller have agreed to be the interviewers. First deposits are due October 31. Stephanie Sorenson is the treasurer. Maureen and Lise have been discussing activities with our hosts, which will include a visit to the Museum of Slavery, Carnival events, and nature outings.

Dates for the outbound exchange to Medicine Hat and Metro Vancouver in Canada are set. We will be with Medicine Hat August 8-14. On August 15 we will transition to Vancouver and be with them through August 22, 2017. An article was in the August newsletter looking for an exchange director or two with no response yet. One person could handle the entire exchange or another option is two people could share with each one being responsible for just one of the weeks.

The exchange coordinator for the San Diego club has requested that we host them in early June rather than July 2017. Their club has Austin, Texas coming August 1-8 and Leuven, Belgium in late September. It seems that all of us are juggling exchange dates. I told him we need to wait until the dates for the New Caledonia exchange have been determined, but I'm seeking direction from the Board on how long we should wait before making a decision.

The email from the Noumea, New Caledonia club past president on July 1 while she was in Japan still has not produced a second one with the number of ambassadors and the dates for their inbound international exchange to Chicago and Wisconsin as promised. We have not had a reply to my July 6 email or my August 5 email requesting this information before our Board meetings. I have called our FFI contact, Maryam Jordan, to find out if she has heard from them. Currently, they are scheduled for May 2017.

### Winnipeg/Santa Barbara Exchange September 13-20, 2016

Give the people from Winnipeg and Santa Barbara a BIG Madison WELCOME! Sign up for the exchange events. There are many new events such as a visit to the Discovery Center at UW-Madison and a trip to Mineral Point to show off the early history of our state. The activities reservation form and payment which can be found in the August newsletter is due by September 7.

### Outbound Exchange: February 22- March 1, 2017

Club members are invited to apply for the Outbound Exchange to Guadeloupe, February 22 - March 1, 2017. Guadeloupe is an island in the Caribbean which is an overseas department of France. We will discover the natural beauty of this volcanic island and experience the exciting activities of Carnival while renewing friendships with club members we hosted in July 2015. Ambassador applications are available on our website: [www.ffwis.org](http://www.ffwis.org). Click on **Useful Forms** and then on **Ambassador Application**. Completed applications should be received by September 17, 2016. Please send to Maureen Kind: 5901 Mayhill Drive, Madison, 53711 or email to [dankind@ssbcglobal.net](mailto:dankind@ssbcglobal.net). If you have any questions, contact me at 608-274-6754.

**Strategic Planning Survey**  
***FRIENDSHIP FORCE OF WISCONSIN-MADISON***

Dear Member:

We need your help! We are in the process of setting long term goals and trying to develop a strategic plan for our Club. This responsibility ultimately falls upon the Board, but guided by your input and help.

One of our goals is to know and understand how our members most want to participate. Another goal is to know and understand how each member can help our Club's growth and development by most effectively utilizing each person's skills and interests. A third goal is to increase our active membership in order to spread the effort needed to make everything work smoothly a bit more widely and evenly. Fourthly, we need to develop new, up and coming leaders.

No organization can thrive without active participation of a critical mass of the group as well as thoughtful and energetic leaders. We are making progress. We have some great new members. We have some great long time members. We have some great leaders. Let's all work together to go forward the way our Club members most desire.

Please help us out with our planning by completing this survey. Yes, we know it looks long - but really, it won't take more than about 10 to 15 minutes to complete.

**WE REALLY APPRECIATE YOUR FEEDBACK AND THE TIME AND EFFORT YOU TOOK TO DO THIS FOR US.**

Please mail to:
