Friendship Force of Wisconsin-Madison is a non profit organization with a mission is to promote **global** understanding across the barriers that separate people. We believe that each individual can make a contribution to **global** goodwill. Our members host people from around the world in their homes and are in turn hosted by other club members around the world.

Friday, March 6

3:30-6:30

Delegates arrive at the Madison airport where they will be greeted by Sandi Wysock and other members of the Friendship Force of Wisconsin-Madison. Delegates will be transported to the home of Sandi & George Wysock, 102 Acadia Drive Madison, WI 53717 where they will receive information about the program and be introduced to their hosts. Food and Beverage will be provided. Meet hosts at the home of Sandi Wysock

Saturday March 7

10:00-11:00 Arrive at Madison Children's Museum

Meet with Kia Karlen

Director of Education

608 256 6445 Ext 541

Kia will provide some background information about the Children's Museum in Madison and their programs. Saturday March 7th is their annual Dino day so there will be activities all around the museum around the dinosaur theme. We will be able to roam around the museum and observe the activities.

11:30 - 12:30 Lunch at the Concourse Hotel

Arrive at the capitol at 12:45

1:00 - 2:30 Tour of the capitol building - The capitol building houses both chambers of the Wisconsin legislature along with the Wisconsin Supreme court and the Office of the Governor. The building was completed in 1917. The capitol was constructed of 43 types of stone from six countries and eight states. The exterior dome is the largest granite dome in the world.

Sunday March 8th

All day Free time with host families until evening

5:45 - 8:00 Potluck dinner with members of the Friendship Force

Location:

First Unitarian Society 900 University Bay Drive Madison, WI 53705

Opportunity to meet members of the Friendship Force of Wisconsin Madison as well as some community guests and presenters. This will be a potluck dinner meaning that each of the guests will contribute to the dinner,. As a result our delegates will have an opportunity to sample a wide variety of American foods. The dinner is being held at the Unitarian Meeting house which is also the home of the historic building designed by the famous architect Frank Lloyd Wright. We will not be able to tour the building but delegates will be able to see the exterior.

Monday, March 9th

Location:

Department of Public Instruction

125 S Webster St, Madison, WI 53703

9:00- 11:00 Presenters:

Victoria Rydberg

Environmental Education and Service-Learning

Wisconsin Department of Public Instruction

Kevin J. B. Anderson, PhD, NBCT

Science Ed Consultant, WI Dept of Public Instruction

President, Council of State Science Supervisors

(608) 266-3319

The Department of Public Instruction is the state agency that advances public education. It is headed by the state Superintendent of public instruction, a non partisan constitutional officer elected every four years. The agency was created in 1848 the year Wisconsin attained statehood when the state constitution provided for the establishment of local school districts and free education for all children in the state.

Presenters will discuss STEM education programs and government policies and curriculum relating to STEM education in Wisconsin

11:15 - 12:30

Lunch - possibly at the Old Fashioned - As popular local location serving traditional Wisconsin pub food.
